

# DON'T FORGET TO SHOVEL OUT FIRE HYDRANTS!

Please be a good neighbor and “adopt” a hydrant near your home or business to keep it clear of snow and ice this winter, making sure it is accessible after each snowfall.

If a hydrant is buried, it takes a firefighter valuable time and energy to shovel it out to gain access while a fire continues to burn. It is important to keep these clear of snow and ice, so firefighters don't lose precious time shoveling when they arrive.

Minimally, make sure the hydrant is cleared of snow... enough to be visible from the street. Even better, clear the snow three feet all around the hydrant so firefighters have enough room to connect a hose.

If a resident is physically unable to shovel a hydrant on their property, they are encouraged to ask a neighbor to help out.

Thank you for your cooperation in reducing the damaging effects of fire in our community, and for being a good neighbor!

## Winter Parking Reminder

The winter parking ordinance is in effect from November 1st through March 31st, between the hours of 2:00 a.m. & 6:00 a.m. In accordance with City of Winsted Ordinance 502.008, parking is not permitted on any street in the City of Winsted during this time period.

Vehicles that are parked on the street and in violation of this ordinance will be issued a citation and may be towed at the owner's expense. This information is only posted on City entrance signs and not within the City, so be aware of this parking ban and inform others. Keeping the roadways free of parked vehicles will assist the Public Works Department in clearing snow and ice during winter storms.

If you have questions or concerns, please contact the Winsted Police Department at (320) 485-2600 or City Hall at (320) 485-2366, prior to receiving a citation. Thank you for your cooperation.

## Reminder for Dog Owners

If you have not picked up your 2017 dog license, now is the time! All dogs must be licensed within the City of Winsted.

Dog licenses must be renewed each year and are valid from January 1<sup>st</sup> to December 31<sup>st</sup> of each year.

A dog license application form is available on the City's website, or at City Hall.

**Licenses will not be issued without a current rabies vaccination certificate.**

If you have any questions, please contact City Hall at (320)485-2366. Thank you for your cooperation!

# 7<sup>th</sup> Annual Type 1 Juvenile Diabetes Fundraiser

### **FIGHTING to end this Disease**

These local kids & teens all have one thing in common: they have Type 1 Diabetes. Type 1 diabetes is an autoimmune disease where their bodies have stopped producing the insulin hormone, needed to convert sugar into energy and regulate blood glucose levels. This type of diabetes is *NOT* caused by poor diet, or too much sugar. It is *NOT* caused by lack of exercise or being overweight. It has *NO* cure, *NO* prevention and can't be reversed or outgrown. Please join in their efforts, along with millions of others with diabetes to end this disease.

**When: Saturday February 18, 2017**

**Where: Blue Note Ballroom, Winsted MN**

**Time: 9a.m. - 2p.m.**

**FREE Admission & Door Prizes!**
