

Notice to Commercial Establishments and Multi-Residential Dwellings in the City of Winsted:

As of September 1, 2012, multiple haulers are allowed to collect garbage or other refuse for commercial establishments and multiple residential dwellings in the City of Winsted, as defined in the City's Waste Removal Ordinance.

A list of haulers that are currently licensed and allowed to collect garbage or other refuse in the City of Winsted is listed below. This list may be updated from time to time.

Please note that contracts that are currently in effect for garbage collection at non-residential establishments will remain in effect and are not affected by this change.

Please remember that it is unlawful for any commercial establishment not to have periodic collection or disposal of garbage or other refuse. It is also unlawful to dump or bury garbage and other refuse in the City.

Please contact City Hall for more information at (320) 485-2366.
