Permit Fee: \$50.00

Please Provide Sketch of Work to Be Done:

Estimated Project Start Date: _____

Estimated Project Completion Date: _____

The City of Winsted issues curb-cut permits to property owners to establish another access point to their property. Work may not be initiated prior to an issued permit by the City of Winsted. Alternation of the curb and gutter must not adversely affect the existing system.

The applicant after obtaining a permit must contact the City of Winsted upon completion of the project for an inspection. Creation of a drive-way or parking lot requires hard-surfacing under the City of Winsted Driveway Ordinance. Should the alteration to the curb and gutter adversely affect the system, the City of Winsted has the right to repair the curb and gutter and assess the property owner for all costs associated with the repair.
