The "Don C. Guggemos Sr." Community Service Award was created to recognize residents, businesses, & organizations in the City of Winsted who have demonstrated a commitment to civic participation and/or volunteer service.

Service can be done in a variety of ways to meet community needs and benefit individuals, groups, or society in general. Community service can include volunteering time, effort, skills, or other resources. The "Don C. Guggemos Sr." Community Service Award is meant to recognize the "unsung heroes" that make our community a better place to live. Three awards are presented each year; the categories are youth, individual, and business or organization.

BUSINESS AWARD WINNER: *Security Bank & Trust Co.*

Security Bank & Trust Co. is the 2025 recipient in the business category. This prestigious recognition honors businesses that demonstrate exceptional commitment to community service, civic engagement,

& local enrichment - values that Security Bank & Trust has consistently embodied. Over the years, Security Bank & Trust has shown unwavering dedication to the Winsted community through generous financial support, volunteerism, and sponsorship of countless local events and organizations. Their contributions include funding for the Winsted Summer Festival Fireworks, support for HLWW school programs, and donations to student organizations such as FFA, DECA, & Football. In addition, they sponsor beloved community events like Holy Trinity's Spring Fling, Bunny Bingo, & the Winsted Winter Festival. Their generosity, involvement, and consistent support have made a meaningful and lasting impact on the quality of life in Winsted. They are a model of what it means to be a community partner.

INDIVIDUAL AWARD WINNER: *Anne Voas*

Anne Voas is honored in recognition of her outstanding dedication and meaningful contributions to our community. In just four short years since moving to Winsted, Anne has become an integral part of the city - serving as a SAIL instructor, SAW committee member, and above all, a compassionate neighbor and friend. Despite working full time, Anne immediately engaged in efforts to enhance the quality of life for local seniors. After attending an early meeting to explore senior programming, she emerged as a key leader, bringing creativity, energy, and warmth to every initiative. She played a central role in launching the SAW calendar, a resource that connects seniors with activities and engagement opportunities. Anne helped establish the SAIL fitness program, which now serves participants from Winsted and surrounding communities. Anne continues to lead SAIL sessions offering not only expert guidance but also a listening ear and a kind heart to those in need. Her empathy, humility, and commitment to both family and community embody the spirit of this award. Winsted truly gained a treasure when Anne chose to call it home.

WARNING SIRENS

Each time the outdoor warning sirens sound, do not assume that you should head to the basement. There may be situations where the community needs to get information out to the public ASAP. For example, there may be a hazardous material incident in the area.

So what should you and your family do when sirens are heard? Tune in to your local radio station! In the McLeod County area, tune in to KARP 106.9 FM or KDUZ 1260 AM. Do NOT call 911 to find out what is occurring. By doing so, you may be delaying help to a person who really needs it!

Sirens are tested the 1st Wednesday of every month, except during inclement weather. Please note that there is no tone to announce the passing of a current threat.
