

Sanitary Sewer Permit

The City of Winsted issues sanitary sewer permits to property owners to install or repair sanitary sewer connection lines that will result in the disturbance of public property.

Work may not be initiated prior to an issued permit by the City of Winsted.

Contractor: _____

Contractor Address: _____

Contractor Phone: _____

Estimated Project Start Date: _____

Estimated Project Completion Date: _____

Please Provide Sketch of Work to Be Done:

- All costs and expenses incidental to the installation or repair of the connection shall be borne by the owner(s). The owner(s) shall indemnify the City of Winsted from any loss or damage that may be directly or indirectly occasioned by the installation or repair of the building sewer.
- The size, slopes, alignment, materials of construction of a building sewer, and the methods to be used in excavating, placing of pipe, jointing, testing and backing of the trench, shall all conform to the requirements of the State of Minnesota Building and Plumbing Code or other applicable rules and regulations of the City of Winsted.
- All excavations for building sewer installation or repair must be adequately guarded with barricades and lights to protect the public from hazard.
- Streets, sidewalks, parkways and other public property disturbed in the course of work, shall be restored in a manner satisfactory to the City of Winsted.

**CONNECTIONS MUST BE INSEPECTED, PRIOR TO
COMPELETION, BY THE
WINSTED PUBLIC WORKS DEPARTMENT.**
